

A new project from the Michael Roberts Charitable Trust (Harlow Foodbank)
Redistributing essential items for children: newborn to 5 years old

We take in donated items, including pre-loved clothing, cots, buggies and other essentials and gift them to families who need support. We check, sort and redistribute to families referred by caring professionals in Harlow and the surrounding area.

We plan to open to distribute in September.

Could you to help fill our shelves right now??

Help to wash and check items (from your home); sort & pack gift boxes (from our centres); deliver to families...

Check out our most needed items, *(no toys or books just now please)* and the condition we would like them in ...
