We need your help to understand the link between your housing and your health and we'll give you a **£20 gift voucher** as a thank you for completing our survey

Health Impacts
of Converted Housing

UCL
The Bartlett

BARTPLAN__POSTCARD_2024_AW.indd 1 11/03/2024 10:57

# Dear resident...

SCAN ME!

Have you ever wondered how your home affects your health and wellbeing? We're studying the health and wellbeing impacts of homes converted from previous building uses, such as offices and shops.

As someone who lives in a converted home, your experiences are incredibly important to us. By filling out a short online survey, your responses could influence future policy changes and you'll receive a **£20 gift voucher** as a thank you.

Rest assured, your privacy is a top priority. The study is run by university researchers, and your information will be kept completely confidential.

Ready to help?

Scan the QR code or visit **https://redcap.link/PDhousing** to take the survey and find out more about the study.

If you do not have internet access just call us at **+442035495543**, and we'll send you a paper survey in the mail.

The survey is available in many languages: **English, Polski, Română, ਪੰਜਾਬੀ/پنجابی, Português, Español,** أُردُو, العربية.

Your participation matters in shaping the future of housing and health. Thank you for being part of our research.

Best wishes

Prof Ben Clifford and Dr Helen Pineo
